Dear SACC Member Businesses,

These are stressful times to be running a business. The complications of doing business and the economic impact resulting from the COVID-19 related state of emergency are unprecedented.

You are not alone in the effort. The Salisbury Area Chamber of Commerce continues to work for you and your business.

In conjunction with the Maryland Departments of Commerce and Labor, we are at work to help our members connect with information and resources to help you navigate this crisis.

The following links have been compiled to provide quick access to relevant business guidance while you manage your day-to-day operations.

COVID-19 restrictions and business recovery information is rapidly emerging. We will continue to keep our members informed with updates as they are available. Should you need immediate assistance, contact me directly.

We are stronger together! Let's act on that.
