

Non-Traditional Students (Adult Learners) Program

"When preparation and opportunity intersect, great things happen"

The Non-Traditional Students Program is a holistic wrap around services that will help adult learners start or finish their program of choice. This program promotes personal, academic, emotional and social growth to help students reach their academic and professional goals. You will not be alone on this journey; you will have others just like you.

We provide online degree programs. Classes are offered in-person, online and hybrid format to help meet your daily schedules for adults just like you.

UMES will be offering 7 online degree programs targeted at fitting busy schedules and daily life of students
