SUMMER ENRICHMENT ACADEMIES 2024

College & Career Readiness Bootcamp

- Monday-Friday, July 29-August 2
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades 9-12
- Location: SU Campus
- Cost: \$75

This academy provides enrichment activities designed to prepare high school students with the skills they need to smoothly transition to college or the workplace after they graduate from high school. Students develop skills in choosing a career path, goal setting, time management, study skills, public speaking, test taking, critical thinking, problem-solving and more. Students in this academy create vision boards that they will share with their families and friends on the last day.

Campus Tales: Mysterious Ghosts, Crazy Professors & Secret Societies

- Monday-Friday, June 24-28
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades 6-12
- Location: SU Campus
- Cost: \$400

Campus Tales helps students understand the connection between creative writing and research, which prepares them for success in the college classroom and at the workplace. Throughout the week, students read legends from the Eastern Shore, conduct research at the Nabb Center and write their own SU campus stories based on the materials they find. At the end of the week, they will lead their tour of the SU campus during which they will tell their stories to the public.

Philosophy Academy

- Monday-Friday, June 24-28
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades 9-12
- Location: SU Campus, Philosophy House
- Cost: \$75

Through a rigorous seminar-like experience, students are introduced to the discipline of philosophy and work to develop their critical thinking skills in preparation for college.

World Languages & Culture Academy

- Monday-Friday, July 8-12
- 1-5 p.m. (Lunch Is Not Provided)
- Grades 6-8
- Location: SU Campus
- Cost: \$200

Through an immersion in the French and Spanish languages, this academy encourages students to develop an interest in languages and a curiosity for diverse cultures and people. Each day, they explore a new theme (food, holidays, fashion, famous people and monuments). Students engage in hands-on activities such as games, calligraphy, cooking, arts and crafts, and movies. On the last day of the academy, the students will share with their families what they have learned.

Learning Russian Through Acting Academy

- Monday-Friday, July 8-12
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades 6-12
- Location: SU Campus
- Cost: \$400

This academy gives students the unique and valuable opportunity to learn Russian through the fun and engaging process of acting. Throughout the week, students learn and practice Russian words, phrases and expressions while working on a Russian-language play that they will present at the end of the week.

Craft Time Designs

- Monday-Friday, June 24-28 OR July 15-19
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades 1-5
- Location: SU Campus
- Cost: \$400

This creative, full-day academy offers different options of crafting like painting by numbers, creating clay animals, making houses out of materials found on nature walks, tie-dye, watercolor painting with salt and learning how to fix simple meals!

Fun with Art Academy

- Monday-Friday, June 24-28 OR July 22-26
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades K to 3
- Location: SU Campus
- Cost: \$400

This academy allows students to gain knowledge of various artists to experiment and develop skills in multiple methods of art processes to demonstrate quality craftsmanship. The students learn about a different artist and a different theme each day! Abstract painting, collages, splatter painting, cloud dough, salt painting, bubble painting and tie-dye are just some of the techniques the students learn.

Games Academy

- Monday-Friday, July 8-12 OR July 29-August 2
- 1-5 p.m. (Lunch Is Not Provided)
- Grades 1-5
- Location: SU Campus
- Cost: \$200

Students explore various aspects of game creation. They create their own rules, cards, characters and gameboards. Students work in groups to play and test their creations and learn how game mechanics work. They learn team-building skills with their peers.

Comics Academy

- Monday-Friday, July 8-12 OR July 29-August 2
- 9 a.m.-Noon (Lunch Provided at Noon in the Commons; Pick-Up at 1 p.m.)
- Grades: 1-5
- Location: SU Campus
- Cost: \$200

We love comics! Superheroes, space aliens and silly characters! Students explore various techniques of self-expression through sequential storytelling, character creation and universe-building. Students use techniques such as drawing, painting, collage and creative writing to tell a story in visual form.

Art & Nature Academy

- Monday-Friday, July 15-19
- 1-5 p.m. (Lunch Is Not Provided)
- Grades 1-5
- Location: SU Campus
- Cost: \$200

Exploration and discovery on Salisbury University's beautiful campus are central to the art-making techniques students explore. Students use a wide variety of mediums to express their connection with nature. Prints, pressings and paintings are used to replicate natural settings uniquely. The creation of birdhouses, wind-catchers, rock art and sun prints connect each student's imagination with the outdoor world around them.

Mixed-Media Art Academy

- Monday-Friday, July 15-19
- 9 a.m.-Noon (Lunch Provided at Noon in the Commons; Pick-Up at 1 p.m.)
- Grades 1-5
- Location: SU Campus
- Cost: \$200

Get ready to mix things up! Students explore a myriad of art-making techniques through the combination of painting, drawing, collage, sculpture, fibers and more. Students express their personalities through unique artworks created in non-traditional ways. Working in groups, the students collaborate and discover new ways to create. This academy will be in a studio as well as outdoors on SU's beautiful campus.

Orchestra Academy

- Monday- Friday, July 15-19
- 9 a.m.-Noon (Lunch Provided at Noon in the Commons; Pick-Up at 1 p.m.)
- Grades 6-12
- Location: SU Campus
- Cost: \$200

Students perform in an orchestra and small ensembles in a supportive and fun environment. They have an opportunity to improve their rhythm and aural skills through sessions in a percussion studio and piano lab. *Prerequisite: Students must provide their own instruments and have at least two years of lessons and playing experience.*

Summer STEAM Academy

- Monday-Friday, June 24-28 OR July 8-12
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades 3-5
- Location: SU Campus
- Cost: \$400

This exciting academy focuses on STEAM (science, technology, engineering, arts and mathematics) activities during the week. Each day, students engage in two STEAM activities that will encourage them to use their critical thinking, creativity, communication and collaboration skills. This academy helps build their confidence and their observation skills.

The Maker's Playground: Build, Design, Create

- Monday-Friday
- Grades 3-5: July 8-12
- Grades 6-8: July 29-August 2
- 9 a.m.-Noon — Lunch Provided in the Commons
- Location: SU Campus
- Cost: \$200

This academy focuses on maker activities that allow students to explore concepts in various subject areas such as math, art and science. Additionally, they build a maker mindset that can be applied across all disciplines. Students use Strawbees, a hands-on exploration kit to build objects to test ideas and demonstrate their understanding of maker concepts.

Henson School of Science & Technology – Intensive Academy

- Monday-Friday, (Two Weeks) July 8-19
- Rising High School Juniors and Seniors
- Location: SU Campus
- Registration Cost \$500 (Limited Full Scholarships Available)

Prospective college students engage directly with SU faculty on a two-week research project. They enjoy a hands-on science experience with an expert in the field and build community among peers. Students work in teams of four with a faculty member leading each team.

Prerequisite: Students must provide an academic reference once selected.

All About Health

- Monday-Friday, July 15-19
- 9 a.m.-4 p.m. — Lunch Provided in the Commons
- Grades 6-8
- Location: SU Campus and TidalHealth (Friday, July 19)
- Cost: \$400

Students use health care tools as they discover everything that makes the human body so fascinating. They practice skills like taking vital signs, assessing body movements and investigating cells with microscopes. In addition, students learn how to communicate through role-playing activities effectively. They interact with cutting-edge technology like high-fidelity mannequins and a life-size digital anatomy table at SU's Henson Medical Simulation Center. Students spend a day at TidalHealth exploring in a health care hospital setting. Along the way, they interact with health and human services professionals who use these skills, like nurses, social workers, physiologists, therapists, doctors and others.

Business Simulation Academy

- Monday- Friday, June 24-28
- 9 a.m.-Noon — Lunch Provided in the Commons
- Grades 6-12
- Location: SU Campus
- Cost: \$200

This exciting academy allows students to participate in active business simulation games, that teaches them about business processes and activities. They learn basic accounting, decision analysis and business processes while using an enterprise system. They gain hands-on experience to understand the format, and structure for business tasks and reports.

Eastern Shore Writing Project: Young Writers Workshop

- Monday-Friday, June 24-28
- 9 a.m.-Noon — Lunch Provided in the Commons
- Grades 3-5
- Location: SU Campus
- Cost: \$200

This exciting academy offers students a space for informal, playful, creative and expressive writing. The students have the opportunity to sharpen their writing skills, develop a creative writing project and collaborate with their peers. On the last day, students share a piece of their original writing during an open mic showcase!

We Read to Change Book Club Academy

- Monday-Friday, June 24-28
- 9 a.m.-Noon — Lunch Provided in the Commons
- Grades 6-8
- Location: SU Campus
- Cost: \$200

This half-day academy is a week-long book club experience for students in middle school who love to read and are passionate about social change. The students interact with their peers by reading the same novel during the week. They engage in discussions and other activities to accompany the book that they are reading. The reading and activities are facilitated by an instructor and two teaching assistants. The students have the opportunity to improve their reading skills, participate in critical-thinking activities, socially engage with their peers and visit an area non-profit agency that assists members of our community.

Environmental Literacy Through Canoeing on the Eastern Shore

- Monday-Friday, July 8-12
- Monday-Thursday: 9 a.m.-Noon Lunch Provided in the Commons
- Friday: 9 a.m.-4 p.m. — Assateague Island
- Middle and High School Students
- Location: SU Campus, Local Waterways and Assateague Island
- Cost: \$200

This academy informs and inspires students to learn more about the environment and global challenges through canoeing around the waterways of the Eastern Shore. Students learn how they can be a voice and find ways to help others understand global issues related to the watershed of the Chesapeake Bay.

Prerequisite: Students must be able to swim.

3D Printing Explorers Academy

- Monday-Friday
- Grades 3-5: July 8-12
- Grades 6-8: July 22-26
- 9 a.m.-Noon (Lunch Is Not Provided)
- Location: Rommel Entrepreneurship Center — Salisbury University Downtown
- Cost: \$200

Journey into making with printers and pens! Welcome to an introduction to 3D printing. Students learn about 3D printing technology and applications. They experience hands-on practice and explore creativity with 3D pens. Students work in teams to brainstorm and work collaboratively on a group project using 3D pen freehand techniques and making 3D structures. Students present their work and receive constructive feedback from their peers. There will be a final showcase event where the students share their projects with family and friends.

Entrepreneurship Academy

- Monday-Friday, July 15-19
- 9 a.m.-Noon (Lunch Is Not Provided)
- Grades 6-12
- Location: Rommel Entrepreneurship Center — Salisbury University Downtown
- Cost: \$200

Want to start a business someday? Salisbury University's entrepreneurship team leads students through the process of idea creation, whiteboarding, collaborative thinking, assessment, building ideas, idea design, prototype development, logo and marketing materials, pitch training, and practice. Students participate in a final pitch presentation of their design and marketing plan.

We Read to Lead Book Club Academy

- Monday-Friday, July 15-19
- 9 a.m.-Noon — Lunch Provided in the Commons
- Grades 2-5
- Location: SU Campus
- Cost: \$200

This half-day academy is a week-long book club experience for students who love to read. The students enjoy the opportunity to read the same books with their new friends, discuss what they read and engage in activities based on the books they share. The students read a different picture book each day! They are able to improve their literacy skills, participate in critical thinking exercises and enjoy social interaction with their peers.

Scavenger Hunt Academy

- Monday-Friday, July 22-26
- 9 a.m.-Noon — Lunch Provided in the Commons
- Grades 6-8
- Location: SU Campus
- Cost: \$200

This half-day academy provides many opportunities for fun, team building, exercise and critical thinking while two teams of students search the campus of Salisbury University for clues and hidden objects! The teams will be led by instructors and teaching assistants who will make sure the students navigate the campus safely and have game-winning support!

Live Action Film Academy

- Monday-Friday, July 22-26 OR July 29-August 2
- 9 a.m.-Noon — Lunch Provided in the Commons
- Grades 3-9
- Location: SU Campus
- Cost: \$200

The May Literacy Center Live Action Film Academy lights up for young filmmakers working together to produce their visions on screen. Students hone writing skills and produce and act in their own short films. They engage in storyboarding, script writing, filming and video editing using the latest software tools. A final showcase lets students share their films with family and friends.
