

More than 6 million Americans are living with Alzheimer's. By 2025, Maryland will have 130,000 people aged 65 and older with Alzheimer's. The Alzheimer's Association leads the way to end Alzheimer's and all other dementia — by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support.

Visiting Angels is Presenting our 3rd Annual Strikeout Alzheimer's fundraiser event on Wednesday October 2, 2024. This will be a night of bowling at SouthBound Alley in South Salisbury. Last year we raised over \$2000. This year, with your help we hope to double the donations and raise \$4000.
